Eagle A/T 4-Wheel GR596

Take your outdoor driving experience to new heights with the Golden Eagle All-Terrain™ scooter. In a class all its own, the Eagle A/T's stylish yet rugged, off-road design is built for superior performance and maneuverability with front and rear adjustable suspension for smoothly traversing outdoor terrain and a powerful 200 Amp controller for outstanding climbing ability. It offers full LED lighting with brake light and turn signals, an infinitely adjustable wraparound tiller, and a reclining, high-back Captain's seat for maximum comfort, plus vibrant red or grey color shrouds for a sporty look. With a 500 lb. weight capacity, 13" pneumatic turf tread tires, up to 34-mile operating range on 75 AH batteries, plus a water-resistant rear carry case for personal items, the Golden Eagle A/T offers everything you need to enjoy your next adventure!

FDA Class II Medical Devices designed by Golden Technologies are intended to assist persons with chronic physical disabilities.
